# Apprenticeships – The Facts

## Objectives

- To inform people what Apprenticeships are and how they work
- How to investigate and navigate the Apprenticeships website
- How to apply for Apprenticeships

**Max Appeal!**

## Apprenticeships – The Facts

# What is an Apprenticeship?

- Simply a job with Training.
  - Apprenticeships combine practical training in a job with study.
  - Offered by an employer where a training provider provides the study element.
